

## KURRAJONG 3000

### **2995 Litres – Holds 3 tonne of Super**

When size does matter, this model allows the dependability and reliability without constant refilling.

The convenient window configuration at the front of the hopper allows the operator to see what is occurring and comes with the stainless-steel hopper, painted frame & galvanised spinner.

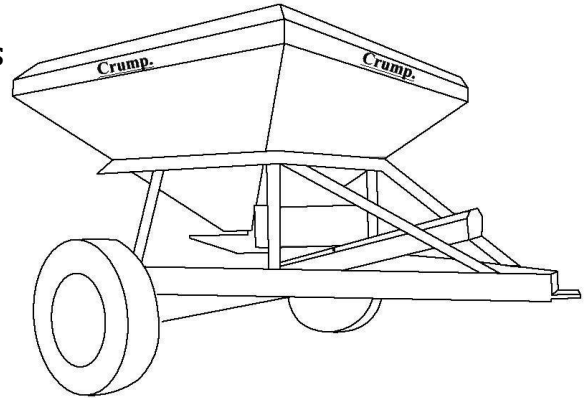

The heavy-duty truck tyres are standard and optional extras such as galvanised frames, tarps, etc are available across all sizes.

The deluxe model (KSD3000BV) comes with the adjustable discharge spout & gate assembly allowing flexibility in distribution (eg orchards & vineyards).

# K3000 Product Specification Sheet
